

C10 N

MARCUS FERREIRA, 2022

As novas versões do primeiro sofá da Carbono preservam seu desenho atemporal, agora com volumes mais macios e aconchegantes. A assimetria da extremidade mais baixa permanece como marca registrada da peça, funcionando como apoio ou como um assento extra. A versão C10N S possui encosto e braços em proporções menores, levando esse novo conforto também aos espaços mais compactos.
